THROUGH : Acting Chief, Development Projects Division *J.H. Be.*

SUBJECT : Supply of [REDACTED] Devices in [REDACTED] CHALICE Detachment

REFERENCE : A. Memorandum to COPS from ASST CH/IPD; Subject:  
Supply of [REDACTED] on Hand in Project CHALICE,  
dated 8 September 1960 (CHAL-1178)

B. Incoming Message Received 6 June 1960 (Copy  
attached)

1. In connection with the actual number of [REDACTED] devices retained in the  
[REDACTED] CHALICE Detachment, I should like to correct our earlier inventory  
in Paragraph 4 of Reference A by means of the attached Reference B, which  
discloses that there are only three instead of the ten mentioned in Refer-  
ence A.

2. In the heat of the May 1 incident, Reference B did not reach me,  
or if it did, it did not mean a great deal in terms of the other problems  
we faced at the moment. I am sorry for the error in Reference A, but  
believe you will understand and correct your records accordingly.
